This is a great representation of what happens to those who do NOT comply with those who think they govern this world.

This is how this translated to me.

Thank you.

The PIRA
can hardly be
portrayed, in any
capacity, as the
"powers that be".

They were and
are an apparatus
existing in sheer
opposition to the
status quo of
British imperialism.

the context of the Catholics
deprived position could have formed
part of the show & shed more light
on the "Troubles" to an American
audience.

A Very necessary show however!
